

Pennypack Ecological Restoration Trust

5K Trail Run Sponsor Form

We warmly invite you to participate as a sponsor. This event will help raise funds to support Pennypack Ecological Restorations Trust's efforts to maintain the 828 acres of open space the Pennypack Preserve encompasses in Upper and Lower Moreland townships and Bryn Athyn Borough.

The mission of the Trust is to steward the Pennypack Preserve natural area as an important component of the region's natural areas network, and to educate and encourage people to appreciate, enjoy, and protect the preserve's native ecosystems.

Sponsors like you help to defray the cost of organizing the 5K Trail Run/Walk event, enabling us to raise more money for the mission of the Trust. The participants of this event will see you as a supporter of such a worthy cause. Sponsorship funds are used towards race timing, t-shirt printing and refreshments. Any additional funds raised from sponsorships go directly to the Trust.

We hope you will consider becoming a sponsor of this wonderful event!
